

AUTHOR INDEX

HOW TO ORDER USING THE INDEX

Four indexes follow. The indexes list publications by AUTHOR, by TITLE, and by SERIES. The AUTHOR index shows the year of publication or latest revision. The TITLE index shows foreign and domestic sales restrictions, if any. In the few instances when a publication or other item is not shown in the AUTHOR index, it will be found in the TITLE or SERIES index. Prices are given in the TITLE and SERIES indexes as well. All prices in this catalog are subject to change. Prices are our suggested list prices in U.S. and British currency and do not reflect prices at which these products may be sold by suppliers. **New titles are marked in red.**
